FLORIAN HABERHAUER

CONSUMER & DIGITAL BUSINESS DATA ANALYST

+43 660 4888286 haberhauer34@gmail.com linkedin.com/in/florian-haberhauer Amstetten, Austria · Open to Relocation

PROFILE

Data Analyst with 3+ years of experience in B2C reporting, CRM analytics and process automation at a global luxury eyewear company. Led the business-side delivery of Salesforce platform rollouts (Service Cloud, Marketing Cloud), working between stakeholders and external development partners, and drove cross-functional projects as Scrum Master. Builds working prototypes with AI tools, including two native iOS apps developed with Claude Code from spec to working version.

WORK EXPERIENCE

Consumer & Digital Business Data Analyst

Mar 2024 – Present

Silhouette International Schmied AG · Linz, Austria

- Own B2C sales and marketing reporting in Looker Studio and Salesforce CRM Analytics, delivering insights to senior stakeholders across multiple markets.
- Automated sales reports using Python and Power Automate, cutting manual work by 90% and changing updates from weekly to daily.
- Built CRM automations and data transformations using SQL and AMP Script, reducing developer hours by 30%.
- Built automated workflows with n8n to create personalized marketing materials, which improved internal processes and cut unused materials by 20%.
- Created POC software tools using AI and AI coding assistants, delivering working tools that are now used across different teams, cutting developer hours by 40%.
- Acted as Scrum Master for two strategic initiatives: a Salesforce-based website relaunch and the in-housing of the full B2C fulfillment operation.
- Led business-side delivery of Salesforce Service Cloud and Marketing Cloud: owning requirements, UAT coordination, and cross-team adoption.
- Technical system owner for Salesforce Service Cloud and the entire B2C reporting stack, ensuring data quality and continuous availability.

Digital Business Intern

Mar 2023 – Feb 2024

Silhouette International Schmied AG · Linz, Austria

- Built sales and marketing reporting dashboards for the Digital Business Unit, supporting data-driven commercial decisions.
- Supported the business-side Salesforce Service Cloud and Marketing Cloud rollout, including requirements gathering and UAT.
- Developed sales forecasting models and established the foundational CRM data structure.

Project Manager — Business Projects

Sep 2021 – Jul 2022

FH Kufstein Tirol · Kufstein, Austria

- Led two consecutive cross-functional student business projects, coordinating teams of 4–6 from brief to final presentation.

VOLUNTEER & EXTRACURRICULAR

Marketing Department Clerk · ÖH Kufstein Student Union, Austria

Team Guide for Team Austria · CEV U19 Volleyball European Championship 2017
